Dear Bob:

I should like to express my appreciation to you and to all your people who were involved in the preparation of the Congressional Justification Books for the Consolidated FY 1986 NFIP Budget. I should particularly like to thank [Redacted] for their extra sacrifice and hard work which enabled us to develop a well-structured CCP Justification Book.

STAT

As you know, budget decisions this year were unusually late, and your program also had to contend with Congressionally directed changes to the format of the resource exhibits (Murphy annexes). The outstanding performance and cooperation of your people in this effort were major factors in meeting the Congressional submission date.

Sincerely,
